COUNSELING & REFERRALS, INC.

The First Step to Finding the Help You Need…

Annual Report
Fiscal Year 2024 - 2025
9/1/24 - 8/31/25

Creating a healthier community by providing access to high quality mental healthcare for everyone in Litchfield County

Letter from the Board Chair

Dear Friends of Greenwoods,

Thank you for your extraordinary generosity this past year. Because of you, more than 1,000 individuals in Litchfield County received the mental healthcare they needed.

In Fiscal Year 2025, together we accomplished:

- **1,126** total clients served
- **12,706** counseling sessions conducted — a significant increase over prior years
- **188** individuals struggling with addiction supported
- **453** Narcan kits distributed to save lives
- **$57,035** in financial aid provided, enabling **63** clients to access counseling

With your continued support, we remain focused on expanding access to high-quality mental healthcare across three key service areas:

Mental Health Assessments, Referrals & Counseling
Our team of 15 in-house clinicians conducts comprehensive assessments for individuals experiencing depression, anxiety, trauma, and addiction. Clients are connected either to Greenwoods clinicians or to our network of nearly 170 trusted mental health providers. When financial barriers exist, Greenwoods provides financial aid to ensure care is not out of reach.

Youth Mental Health Program
In partnership with Region 20 Schools, Marvelwood School, Westover School, and Housatonic Youth Services Bureau, we deliver school-based mental health services and crisis intervention to students and families throughout the region.

Community Outreach & Recovery Navigation
Our outreach team — three recovery navigators and one licensed clinician — travels throughout the county to support individuals facing mental health and addiction challenges. They bring prevention, training, recovery navigation, and life-saving resources to some of our most rural and isolated communities.

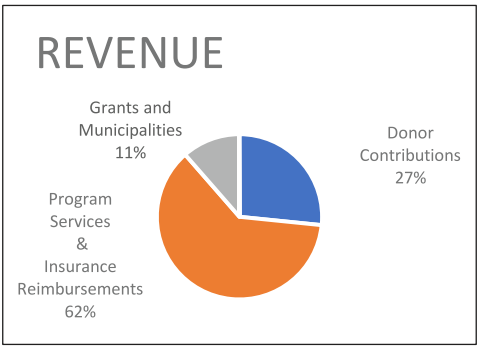

On behalf of the Board of Trustees, thank you — our donors, grantors, volunteers, and staff — for your compassion and steadfast commitment. Together, we are building a healthier community by ensuring access to high-quality mental healthcare for all in Litchfield County.

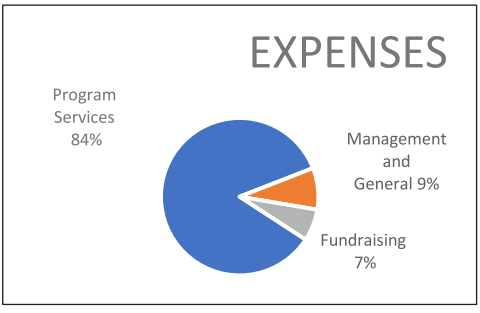

With gratitude,

Amanda J. Bokman
